

# SEAMLESS ONBOARDING FOR ULTRA HIGH VISIBILITY

# Your outreach to AV is the first step in achieving a single source of truth for your Family Office.

Here are the next 5 steps to gain a complete picture of your wealth:

1

Get a personalized introduction to AV's capabilities focused on addressing your unique pain points.

2

Choose between a sandbox, custom trial, or a direct subscription to experience AV first-hand.

3

Execute an NDA to ensure data privacy during in-depth discussions.

4

Collaborate on a customized implementation plan with transparent pricing options.

5

Kick off your journey with a seamless onboarding process and ongoing support.

**You can go live and be ready to take control of your data in approximately 8-12 weeks.**

By the end of this process, you'll have clear insights and be well-positioned to become a confident AV client and make informed financial decisions.
